Dear Doctor:

I wrote you sometime ago and had expected an answer by now, but I suppose you are waiting for the schedule to be released.

In the meantime I am trying to arrange a tentative schedule for my Training trip, and find I would like to play in Greenville on Wednesday, May 1st. I would appreciate if you would secure the Park for this day, if it is available. I cannot close the day definitely until I have the schedule of all the Parks in my hand, but I should be able to do so within the near future. I would like you to also find out the terms under which I will secure the Park, the rental and price of lights.

I will greatly appreciate your sending me the schedule as soon as it is released, and would like to hear from you as soon as possible about the Park.

Yours very truly,
